Status

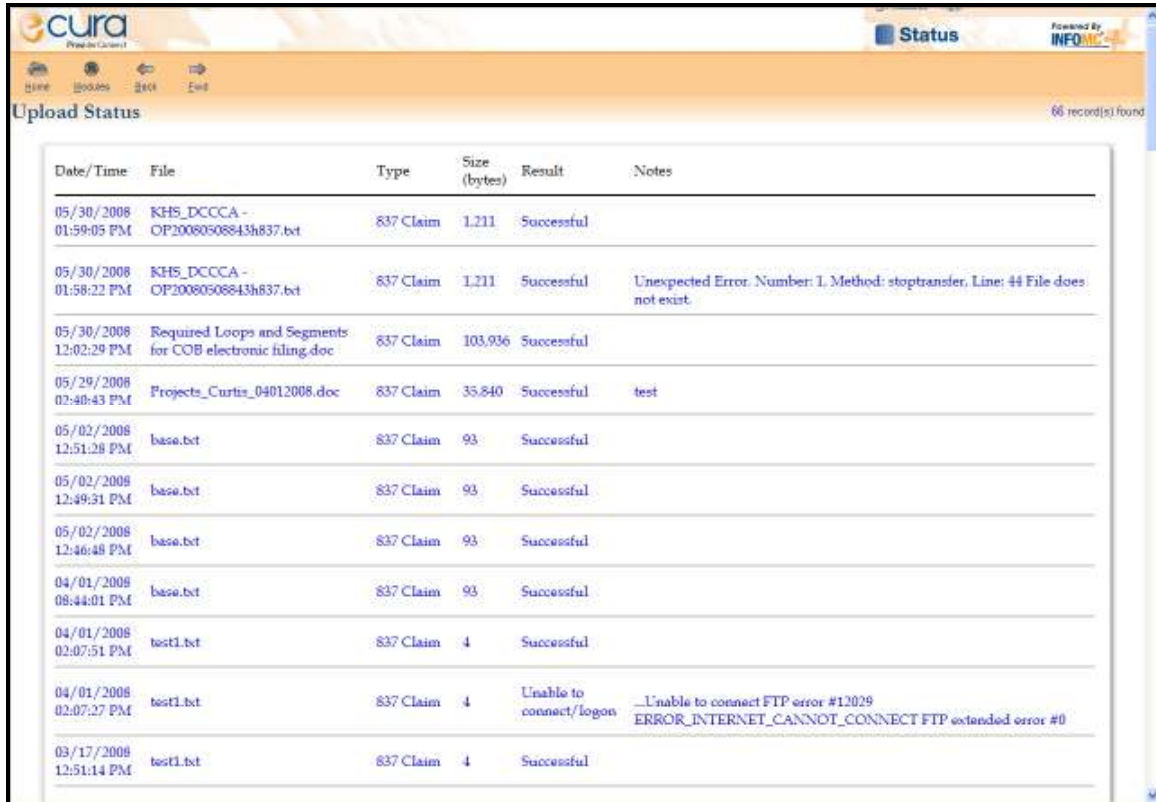

After logging onto ProviderConnect, the Welcome screen will be displayed (see page 9 for an image). Select “All Modules” in the upper-right hand corner, and select “Status” from that menu.

This will show the Status page. From this page, select the Modules Menu in the upper left corner, and select “Upload Status”.

This will bring up the Upload Status screen. The following is a sample of that screen.

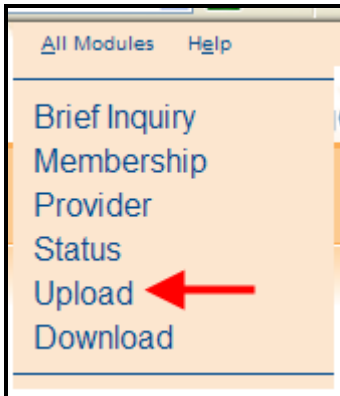

The screenshot shows the Cura software interface with the 'Upload Status' window open. The window title is 'Upload Status' and it indicates '66 record(s) found'. The table contains the following data:

- Date/Time – The date and time the file was submitted to KHS for processing
- File – The filename which was uploaded
- Type – Type of file (usually 837)
- Size – File size, shown in bytes
- Result – The outcome of the transmission
- Notes – Miscellaneous notes for explanation of processing

Upload

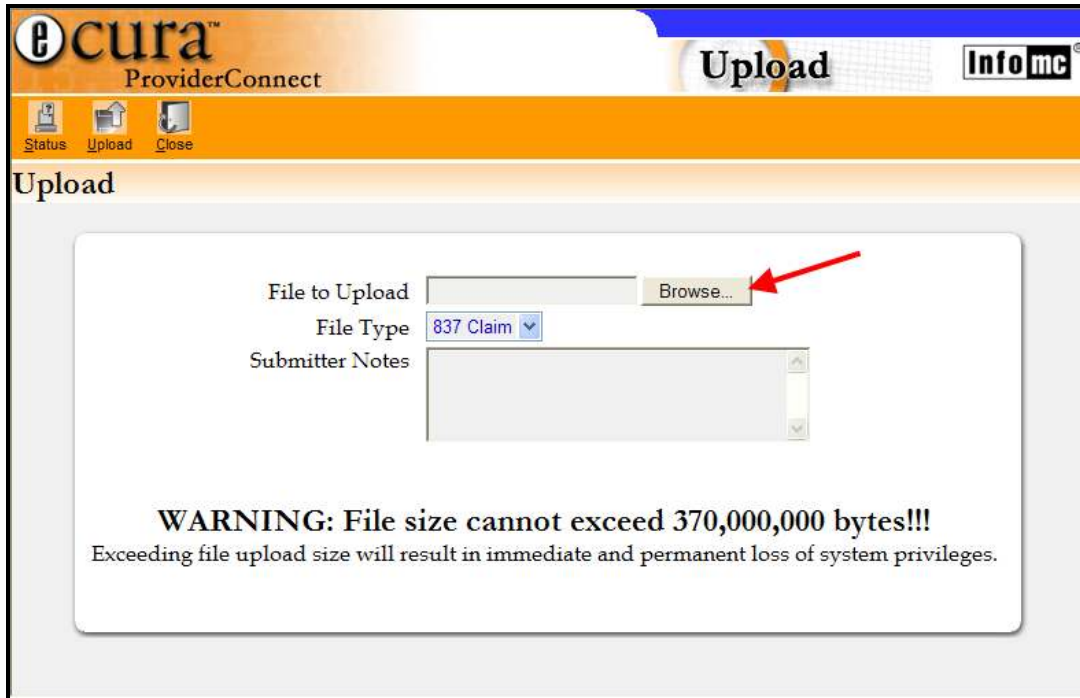

To upload a file via ProviderConnect, select Upload from the All Modules menu in the upper right corner of the window.

This will open (in a new window) the Upload Window. Please make certain that pop-ups are allowed through your browser.

A screenshot of the 'Upload' window in the ecura ProviderConnect application. The window has a header with the ecura logo, 'ProviderConnect', and 'Upload' text. Below the header, there are three icons: 'Status', 'Upload', and 'Close'. The main content area is titled 'Upload' and contains a form with the following fields: 'File to Upload' with a text input and a 'Browse...' button; 'File Type' with a dropdown menu showing '837 Claim'; and 'Submitter Notes' with a text area. Below the form, there is a warning message: 'WARNING: File size cannot exceed 370,000,000 bytes!!! Exceeding file upload size will result in immediate and permanent loss of system privileges.'

Click on the “Browse...” button to locate the file that you would like to upload to the system for processing.

Download

To download a file via ProviderConnect, select Download from the All Modules menu in the upper right corner of the window.

This will open (in a new window) the Download Window. Please make certain that pop-ups are allowed through your browser.

A screenshot of the 'Download' window in ProviderConnect. The window has a blue header with the 'e cura' logo and 'ProviderConnect' text. Below the header is an orange bar with 'Download' and 'Info mc' logos. The main content area shows a table of files for download. The table has columns for 'Select', 'File Name', 'Size (bytes)', and 'Last Modified'. There are three rows: 'COPY OF SAMPLE2.PDF', 'SAMPLE2.PDF', and 'ARCHIVE'.

Select	File Name	Size (bytes)	Last Modified
<input type="checkbox"/>	COPY OF SAMPLE2.PDF	42,908	07/12/07
<input type="checkbox"/>	SAMPLE2.PDF	42,908	07/12/07
	ARCHIVE		11/14/07

This will show you all the files which you can download. These files will include Remittance Advices, Authorization request letters, and any other specific requested information. To download the file, just click on the file name to begin the download process.
