

**ProviderConnect Update:  
Registration Effective Date Range changed  
to 360 days  
September 6, 2007**

---

- KHS is the process of refining the registration process and this will be accomplished in steps during the month of September.
- First step: When using ProviderConnect to register KHS members, you will notice that all service levels now have an effective date range of 360 days. (*Basically, your registration will be good for a year.*)
- Case Conference, 1015(b) Attendant Care and HCBS SED Waiver Services will still follow the previous prior authorization process.

If you have any questions regarding ProviderConnect, please feel free to contact: [KHSsupport@kansashealthsolutions.org](mailto:KHSsupport@kansashealthsolutions.org)
